

■ Rekordbox DJ Transition Checklist

ARTBAT – Return to Oz (122 BPM) → Ben Böhmer – Beyond Beliefs (122 BPM)

- Cue Return to Oz intro → play full groove.
- At last 16 bars, set a Loop Outro (8 or 16 beats).
- Bring in Beyond Beliefs intro with Low-Pass Filter → slowly open filter.
- Transition with Reverb wash on final hit of Return to Oz.

Ben Böhmer – Beyond Beliefs (122 BPM) → Yotto – Another Riff for the Good Times (126 BPM)

- Loop last 8 bars of Beyond Beliefs.
- Gradually shift BPM to 124–125, then engage Sync to 126.
- Start Yotto's intro filtered → slowly fade it in.
- Kill Beyond Beliefs loop with Echo Out.

Yotto – Another Riff... (126 BPM) → CamelPhat & ARTBAT – For a Feeling (126 BPM)

- Simple EQ blend: Kill lows on For a Feeling intro.
- Fade in over 32 bars while filtering highs out of Yotto.
- At breakdown, use Noise Sweep + Echo Out on Yotto → full drop into For a Feeling.

CamelPhat & ARTBAT – For a Feeling (126 BPM) → Astrix – Deep Jungle Walk (138 BPM)

- Wait for a breakdown section in For a Feeling.
- Apply Delay + Reverb wash on the last stab or kick.
- (Optional) Jog-wheel Spinback for drama.
- Drop Deep Jungle Walk straight at riser (Hot Cue) → let kick slam at 138 BPM.

Astrix – Deep Jungle Walk (138 BPM) → Vini Vici – Free Tibet (138 BPM)

- Filter Deep Jungle Walk highs out.
- Fade in Free Tibet intro with lows cut → swap EQ smoothly.
- Use Filter Sweep Blend over 32 bars for seamless transition.

■ Extra Tips

- Always mix at 16/32 bar phrases — never mid-phrase in these genres.
- Use Echo Out + Noise Sweep as your safety net for difficult BPM shifts.
